International Journal of Advanced Biological Research -(IJABR)

VOLUME 10[4] **November 16, 2020**

Review Articles

Research Articles

Evaluation of pupal and adult life span of the selected two voltine groups of the silkworm bombyx mori L.
Ramya, M.N. and Jagadeesh Kumar, T.S. ……. 191-196

Climate change triggers early sprouting in mulberry (Morus sp.)
Shaista Mehraj[1], Afifa S. Kamili[1], N.A.Ganie[1], S.A. Mir[2], F.A.Khan[3], M.R. Mir[1] and R.K. Sharma[1] 197-201

Studies on cropping system in chambal ravines affected area on watershed basis in uttar pradesh
R.A. Singh[1], I.P. Singh[2], Asha Yadav[1], M.K. Singh[1], V.B. Jaiswal[1] & R.K. Singh[3] …… 202-203

Small ruminant rearing practices followed in western maharashtra
A. R. Madkar, Triveni Dutt, Mukesh Singh and P. Boro …….. 204-207

Influence of shoot age on rooting in mulberry cuttings and the growth of saplings under two different environments
Gora, M.M., Mir, M. R., Baqual, M.F.,*Mir, S.A.Islam, T., Aadil, H, Shaista, M. and R.K. Sharma ……. 208-212

Assessment of technological interventions on productivity and profitability of chickpea (cicer arietinum l.) through cluster frontline demonstrations (cflds) in sahibganj district of Jharkhand
Amrit Kumar Jha, Kaushik Chatterjee Birendra Kumar Mehta and Maya Kumari …….. 203-217

Characterization of variability and diversity in foxtail millet (setariaitalical.beauv) germplasm collection for yield and its contributing traits
*Shiva Rama Krishina Chari, Shailesh Marker, Indranil Battacharjee …….. 208-221

Relationship between different food groups and physical activity in zinc deficient people
Wajiha Saeed[1], Saddam Mustafa[1], Sundas Hina[2], Shahid Mahmood[1*], Tusneem Kausar[1], Ghulam Mueen-ud-Din[1], Ayesha Rafique[1], Syeda Mahvish Zahra[1], Muhammad Yousaf Quddoos[1], Muhammad Umair Khalid[3], Nagina Altaf[1] and Fahad Faisal[1] …….. 222-226

Effect of different harvesting methods on sprouting, leaf area and leaf yield in mulberry under kashmir climatic conditions
Aadil, H., M.R. Mir, I. L. Khan, Gora, M. M., S. Maqbool*, S. Z .H. Rufaie, and R.K. Sharma ……. 227-229

Effect of elevated tropospheric ozone on photosynthetic efficiency of rice cultivars
C. Haritha Gowri[1], P. Vijaya Priya[1], A.Ramya[2] and P.Dhevagi[3*] ……. 230-234

Presence of vancomycin-resistant *staphylococcus aureus* strain and antibiotic resistance profile of isolates from a federal teaching hospital in southeastern nigeria
Victor U. Usanga[1], Boniface N. Ukwah[1], Simon O. Azi[1], Michael E. Kalu[1*], Ugomma Ude[1] ……. 235-240

Screening of bivoltine hybrids of silkworm bombyx mori L. Against disease susceptibility during summer season in Uttar Pradesh
Ravinder Kumar Sharma ……..... 241-245

Case Study
Short Communication
